July 12, 2017, held a Region 9 Meeting, at Denny's Kaneohe, at 7 PM.

Mahalo to the OCC for your continued support for the Kailua 4<sup>th</sup> of July Parade. We had a good crowd join us. We filled the trolley and gave out 5000 lollipops. I submitted my receipts for the expenses for the 2017 Kailua 4<sup>th</sup> of July Parade. I spent \$196.46 of the \$250.00 budget. Next Parade is the Kaneohe Christmas Parade, December 2, 2017. I have the trolley Contract. The Christmas Parade packet has not been received yet.

Raphael Leonard introduced us to Josh Noga, DNC Staff helping the State Democratic Party in organizing membership and out in the field and community. He gave us an overview of his role in the Summer of Resistance Program.

Discussions included filling vacancies and getting active members into key leadership positions, cleaning the membership database and the future events that can be used for new member recruitment. Getting ready for the next Precinct Club Meeting and OCC Convention. Some events will be issue based, (March for America) or in conjunction with other caucuses' events, for example.

I contacted David Lewis for a progress report on their situation. The family has suitable rental accommodations for now. Looks like about 5 more months before renovations to their home are completed. He expressed the "Family's Heartfelt Mahalo" for the prayers, contributions and continued support from the many friends in the Democratic Party.

Our next meeting will be August 3, 2017, at Raphael Leonard's home, at 7 PM.

Respectfully Submitted,

Glenn Ida, <sup>SECRET</sup> Region 9 Chair, 808-295-1280
