Whereas, The term “African American” does not adequately describe a particular ethnic group; and

Whereas, Many individuals in this ethnic group prefer not to be classified as “African Americans”; now, therefore, be it

Tsutsui, Lt. Governor of the State of Hawai‘i, and the 2014 convention resolutions committee of the Democratic Party of Hawai‘i.
OC Resolution 2014-03 Regarding the Necessity for Communication Between the Public and the Board of Education

Whereas, The education of the children of the State is a major priority and concern of the people of the State; and

Whereas, Since the origin of the Board of Education, a public petition item on the Board Meeting agenda has enabled parents, teachers, students, and the general public to bring matters of concern to the attention of the Board; and

Whereas, The present Board has abolished that item, effectively making it impossible to notify the Board of problems that concern teachers, students and the general public; and

Whereas, The present agenda items listed are unclear and non-specific, making it difficult to ascertain what testimony the Board will accept; and

Whereas, Board meetings are now held at times and locations that make it difficult for parents and teachers to attend; now, therefore, be it

Resolved, That the O'ahu County Democrats of the Democratic Party of Hawai'i urges the Governor of the State of Hawai'i to request that the Board of Education reestablish the public petition item on the Board's Meeting Agenda, so that the knowledge and interests of the community may be made available to the members of the Board of Education; and be it

Ordered, That copies of this resolution be transmitted to each O'ahu County Democrat who is a member of the Hawai'i State Legislature, the Chair and all members of the Board of Education, as well as to the Honorable Neil Abercrombie, Governor of the State of Hawai'i, the Honorable Shan S. Tsutsui, Lt. Governor of the State of Hawai'i, and the 2014 convention resolutions committee of the Democratic Party of Hawai'i.
OC Resolution 2014-04 Regarding the Status of School Librarians

Whereas, Numerous studies have demonstrated that when economic, educational, and other community variables are taken into an account, students from schools with credentialed librarians, adequate staff support, resource-rich school libraries and open access outperform students who lack these resources; and

Whereas, More free voluntary reading improves comprehension, vocabulary, and the acquisition of information; and

Whereas, A full-time qualified School Librarian makes a critical difference in boosting the reading and writing scores of the most vulnerable students; and

Whereas, Test scores show that the majority of public school students in Hawai`i are reading below grade level; and

Whereas, School Libraries and qualified school librarians are diminishing at an alarming rate, and there are now only 172 certified librarians for 255 public school libraries; and

Whereas, It has proven difficult to obtain accurate information from the Department of Education regarding the status of school libraries with certified school librarians so that the situation may be addressed; now, therefore, be it

Resolved, That the O`ahu County Democrats of the Democratic Party of Hawai`i urges the Governor to request the Board of Education to ensure that each school has a school library, and determine staffing levels at each library including the number of certified Masters of Library Science (MLS) librarians, assigned clerical staff, budgets for library materials, and official student populations for 2014-15, and that this information be made publicly available; and be it

Resolved, That the O`ahu County Democrats of the Democratic Party of Hawai`i urges the Legislature to set aside adequate funding outside of the student-weighted formula to ensure that students from every school community have a fully-equipped library with a full-time credentialed MLS school librarian, be it

Ordered, That copies of this resolution be transmitted to each O`ahu County Democrat who is a member of the Hawai`i State Legislature, the Chair and all members of the Board of Education, as well as to the Honorable Neil Abercrombie, Governor of the State of Hawai`i, the Honorable Shan S. Tsutsui, Lt. Governor of the State of Hawai`i, and the 2014 convention resolution committee of the Democratic Party of Hawai`i.
OC Resolution 2014-05 Urging the Party and Legislators to work together to Pass Public 
Financing of Elections 

Whereas, The O'ahu County Democrats support the public financing of elections; and  

Whereas, The effort to pass "Voter Owned Elections" bills has gone on for many years; and  

Whereas, The Legislature in 2008 passed a bill for a pilot program of public financing of county council  
elections on Hawai'i Island; and  

Whereas, The experience on Hawai'i County has demonstrated public financing can provide a helpful  
alternative for candidates to run viable campaigns, without having to spend inordinate time soliciting  
contributions from special interests; and  

Whereas, The option to use public funding for elections has benefited both incumbents and challengers;  
and  

Whereas, The 2013 and 2014 sessions were both close to passing a bill which would have provided the  
option of public financing for candidates to the State House, but failed to reach agreement on a final draft;  
now, therefore, be it  

Resolved, That O'ahu County Democrats of the Democratic Party of Hawai'i strongly urges the  
Democratic legislators to work during the interim to reach an agreement on passing legislation to provide  
the public financing option for candidates to the state House as an expansion of the program; and be it  

Resolved, That O'ahu County Democrats of the Democratic Party of Hawai'i strongly urges the State  
Democratic Party to make passage of public financing of elections a priority for the 2015 legislative  
session; and be it  

Ordered, That copies of this resolution be transmitted to all O'ahu Democratic members of the Hawai'i  
State Legislature.
OC Resolution 2014-06 Requesting Neighborhood Boards to Support the Development of Community-Based Disaster Preparedness Plans

Whereas, Hurricane 'Iniki of 1992 was a Category 4 storm, causing $1.8 Billion in damages; and

Whereas, Hurricane 'Iniki was headed for O'ahu before it veered off to strike Kaua'i, still causing major damage on the Wai'anae Coast; and

Whereas, The damage included knocking out broadcast stations and normal communications; and

Whereas, A hurricane could strike O'ahu during the coming storm season, possibly with greater ferocity due to climate change; and

Whereas, The strength of a hurricane striking O'ahu could have broad, deep, and lasting impacts preventing recovery over a long period; and

Whereas, Without an undamaged urban Honolulu to send relief, as in the case of 'Iniki on Kaua'i, the impacts on O'ahu and the entire state are likely to be much harder to overcome; now, therefore, be it

Resolved, That the O'ahu County Democrats of the Democratic Party of Hawai'i urges all neighborhood boards to support and participate in the community-based efforts to support the development of disaster preparedness plans for their neighborhood, understanding that before aid can come from outside sources, communities must respond by helping their own people to safety, providing food, water, emergency medical care and supplies, chainsaws to clear a path for emergency vehicles, child care and elder care for those in need, and other basic services those communities know for themselves; and be it

Resolved, That the O'ahu County Democrats of the Democratic Party of Hawai'i believes disaster response plans have long-term implications of adapting to a new lifestyle of internal community reliance for basic necessities, employment, power and transportation while the economy rebuilds; and be it

Ordered, That copies of this resolution be transmitted to all 33 neighborhood boards on O'ahu, the Neighborhood Commission, the Department of Emergency Management, the Mayor of the City & County of Honolulu, and all members of the Honolulu City Council.
