North Carolina Congressional District 11 Democratic Candidate MOE DAVIS wants our help!

Join a Zoom Talk Story with Moe on **SATURDAY, JUNE 13, AT 1 PM HST** to see how Hawaii Democrats can help North Carolina Democrats flip C.D. 11 - a district that was held by Mark Meadows of the right wing freedom caucus. Redistricting has made this district flippable.

Every Democratic vote we get in C.D. 11 will help Cal Cunningham win the U.S. Senate seat from North Carolina and Joe Biden become President.

Mahalo, O`ahu Democrats, for the wonderful work you are doing to actively advocate for fair, accessible, and informed elections, champion Democratic candidates in our county, state, and nation, and build the Democratic Party in precinct after precinct on O`ahu.

While we cannot celebrate together on **King Kamehameha Day**, let us unite in spirit to honor him and our communities on this special day.

ALOHA!
