## YOUR INPUT NEEDED: WHAT ARE O'AHU'S MOST PRESSING ISSUES?

The Legislation Committee is hard at work preparing for the 2023 Legislative Session, but they need your help! Over the next six months, O'ahu Democrats will be able to share their input on priorities that should be addressed when elected officials reconvene to pass laws at the Legislature in January. Here's how you can participate and make your community's voice heard:

### Participate NOW: Legislative Survey

Take this year's legislative survey and rank your Region's priorities on topics from education, climate change, affordable housing, reproductive rights, and more.

Responses will be used as a starting point for conversations with members of your Region and elected officials later this year.

Survey will be available until August 12.

**[Click here to take the survey.](#)**

### Participate Later: Region Meetings

Save the date for your Region's session to discuss the survey results and how Democratic legislators can work to make meaningful change in those areas.
