

O'AHU COUNTY DEMOCRATS

OF THE
DEMOCRATIC PARTY OF HAWAI'I

a gathering place for political action

WELCOME to the inaugural O'ahu County Democrats newsletter. Each month we hope to share news, community events, legislative updates, and more to connect you with fellow Democrats and the Party.

In this issue, meet your officers and Region Chair elected at the successful 2021 eConvention and your current District Chairs who are excited to take on new challenges in the coming year.

Also, check out upcoming events, committee initiatives, and give input on the Legislation Committee's survey which will help shape our priorities and the work we'll be doing alongside our elected officials in the 2022 Legislative Session.

Legislative Priorities Survey

This survey re-visits the top five issues that O'ahu Democrats felt were important in 2020. It also includes a number of other issues that we would appreciate your opinion on. Based on participation in previous surveys, we were able to provide the O'ahu Democratic Senate and House members with valuable information about their constituencies and we hope to do the same for this upcoming legislative session.

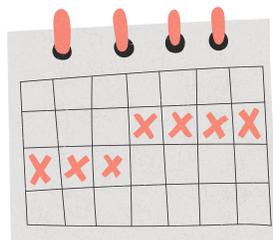

Please share your opinion on these important issues by June 28, 2021. Your responses will allow us to better understand what the Democrats on O'ahu are interested and/or concerned with.

At the recent O'ahu County Democrats eConvention on May 8, 2021, a resolution celebrating the life and accomplishments of Marsha Rose Joyner was adopted. [Read the resolution here.](#)

Meet the 2021 – 2023 Officers

Lorna Takehara Strand, Chairperson

Wife to Davy, mother to Patrick and Eric, grandmother to Bubba Toshi, Haya, and Baby Sal, and I love to do sandwich hugs. Davy and I are retired and live in an 'Aiea home my parents built in 1965. And now I am happily starting my second term as Chair of O'ahu County Democrats.

Carlos Santana, Secretary

I currently live in District 28, Precinct 3. I ran for Secretary to fill a need created by the prior Secretary's desire to step down after several years of service. I feel this is an important position to maintain continuity and proper tracking of OCC business.

Kevan Wong, Assistant Treasurer

I live in Kaimukī with my grandparents and my brother. After serving as Region 1 Chair, I ran for assistant treasurer because I wanted to continue my service in a different capacity more in line with my business education.

Jenna Takenouchi, Assistant Secretary

My best fur friend, Lola, and I live in Makiki, but enjoy spending time with family include my grandma, mom, and sister's family. After working in state government for a number of years, I wanted to lend my skills to an organization engaging the community in the issues I care about.

Missing: **Jacce Mikulanec, Vice Chairperson**
 Joe Francher, Treasurer

Andrea Wagner, Region 1 Chair

My husband and I live in Wailupe Valley (aka Aina Haina), where I grew up. My 'ohana is spread across the United States from Hawaii to the east coast. This image shows a few of us gathered for a holiday Zoom celebration.

I ran for Region 1 Chair as I saw an opportunity to help activate and serve Democrats in our region.

Cynthia Jarrell District 18 Chair

I live in Hawaii Kai in Hahaione Valley. I came up through the ranks as Precinct Vice President, Precinct President, District Vice Chair. I became District Chair when existing Chair was appointed to Region Chair. There after I was elected several times in my own right as District Chair. I especially love to be out in the community with people, organizing, helping with campaigns, and promoting the Democratic Party.

John Choi District 19 Chair

I live in Kapahulu, two blocks behind the Zoo so I can visit my relatives.

I ran for District 19 chair because of the leadership of Bernie Sanders and my friendship with Rich Turbin.

Amy Monk District 17 Chair

Amy Monk and her husband retired to Kalama Valley in Hawai'i Kai, HD 17, in 2005. She first lived in Hawai'i Kai with her family as a UH student before joining the Foreign Service. Amy has been active with the Democratic Party as a precinct, district and region chair and currently is the Hawai'i's Democratic National Chairwoman. She stepped up to again chair the district when the recent chair moved to the mainland.

Announcements

Aloha from the OCC Membership Committee,

1. We are trying new things to get our current members and new members involved in Democratic activities this summer.

O'ahu County Democrats in Regions 3, 4, and 5 are teaming up with Honolulu Councilmember Radiant Cordero's District 7 Summer of Service campaign and The Pantry to help alleviate food insecurity. We are calling on volunteers from across the Democratic Party to help ensure that no one goes hungry. We have an upcoming food distribution project at The Pantry on Statehood Day, Friday, August 20. Share!!! There are two shifts to choose from, 9 AM or 12 PM. [Signup is open now.](#)

2. We are currently growing our membership committee with representatives from across the OCC's regions. As of June 2, we have committed representatives from OCC Regions 1, 2, and 5.

3. In support of energizing our current members and going out and meet potential new members through tabling and meetup.com, please encourage OCC reps to vote YES on the OCC Membership budget for 2021-2022.

Aloha from the OCC Tree Committee,

As you know, the future of our society in Honolulu is dependent on maintaining balance with the environment. In 2021 we can touch, feel, and see global climate change. We have hotter air, heavier downpours, droughts, warmer oceans, climate migration away from areas in Alaska and Pacific islands. The 2019-2020 wildfires on the west coast and in Alaska burned beyond what we could control. Families, homes, and communities are being burned, waterlogged, and people are dying from the US Virgin Islands and Puerto Rico to Central Alaska and beyond. It is time to increase our sustainability action to alleviate what we can.

Trees can help absorb fertilizers and natural wastes to reduce coral bleaching, trees absorb carbon and pollution, trees reduce urban heat, and trees cut erosion. Trees are a proven solution for blocking the sun from the pavement, absorbing sunlight energy, cooling the air, reducing erosion, and absorbing excess nutrients. Tree planting will work for the OCC, it brings people together, and it is fun and exciting to do.

The OCC Tree committee can help cool down our island by increasing the tree canopy. We will not be alone in this task. OCC should not remain idle while our island heats up.

Our new Tree Committee needs your help. Let us utilize OCC to organize action in urban and rural Honolulu. Let us grow our team's skills for planting and passing on our knowledge to those who share the joy of arboriculture. Those who came before us preserved and restored what they could. It is time to do everything we can to replenish our tree canopy with growing non-invasive trees for upcoming generations to enjoy.

To help expand the Tree Committee's project across the island's 35 house districts vote YES and ask OCC reps to vote YES on the Tree Committee's budget. And join us to plant trees across the island this year alongside partners in government, environmental services, and education.

If you have relationships and friends connected to plant nurseries, forestry experts, or tree planting groups like the Outdoor Circle, the Sierra Club, or Kupukupu then please let me know.
